

Driving advances in healthcare where there are no roads?

We know the way

We leverage our best-in-class manufacturing and scientific expertise and proven commercial capabilities to bring quality medicines to patients when and where they need them.

VIATRIS® is a global healthcare company formed in 2020 through the combination of “Mylan” and “Upjohn, a legacy division of Pfizer”

## Our Mission

At Viatris®, we see healthcare not as it is, but as it should be. We act courageously and are uniquely positioned to be a source of stability in a world of evolving healthcare needs.

**Viatris® empowers people worldwide to live healthier at every stage of life.**

We do so via:

### Access

Providing high quality, trusted medicines to patients regardless of geography or circumstance.

### Leadership

Advancing sustainable operations and innovative solutions to improve patient health.

### Partnership

Leveraging our collective expertise to connect people to products and services.

# A global healthcare company\*

Global footprints in **165+** countries.

Molecules: **1,400+**

- Portfolio that treats nine out of 10 WHO leading causes of death
- 200+ medicines on WHO essential medicines list.

Customers: **60,000+**

Including retail and pharmacy establishments, wholesalers, governments.

\* Data as of November 2020.

## Our Mission

Empowering  
people worldwide  
to live healthier at every stage of life.

We believe in healthcare not as it is,  
but as it should be.

Viatrix® is a global healthcare company formed in 2020 through the combination of “Mylan” and “Upjohn, a legacy division of Pfizer”.

# Unparalleled Global Reach

Our strong global commercial infrastructure is comprised of four business segments that enable us to serve patients through retail and pharmacy establishments, wholesalers, governments, institutions, physicians and other customers in more than 165 countries and territories.
